

NFA Services

Form 1

We offer Form 1 services at the shop through the ATF E-forms portal. We'll create your online account and walk you through the entire form, do your fingerprints and photos, and then mail off your fingerprints for you. Call the store with any questions or to make an appointment. All you need to bring is your ID, and future NFA item!

Form 4

Here at Oregon Rifleworks, we also provide Form 4 services. Though we don't have a SilencerShop kiosk, we have knowledgeable and NFA-experienced staff who will guide you through the entire process. We can do your fingerprints and photos here at the shop as well if you don't have them already done. Call the store with any questions or to make an appointment.

Fingerprints and Photos

Feel comfortable completing the form on your own but just need prints and photos done? We can help! We offer fingerprinting and photo services here and can often do them same day. Just be sure to call the store ahead of time to make sure we're ready for you.

FEES

We charge a \$100 processing fee for any Form service or NFA transfer.

We charge \$25 to complete fingerprints and photos.
